Education

Bishop Feehan High School — Attleboro, MA

Expected graduation: June 2027

Weighted GPA	4.61 / 5.0 (freshman and sophomore year)
SAT	1560
AP exams	5 completed; AP Precalculus score 5
Junior year	AP Calculus BC, AP Physics 1, AP English Literature, AP U.S. History
Senior year	AP Statistics, AP English Language, AP Chemistry, AP Physics C: Mechanics, AP Physics C: E&M
University	Multivariable Calculus (Calculus 3), UC Berkeley — Summer 2026
Engineering	Intro to Engineering (junior), Engineering II (senior)

Awards & Honors

Regeneron Young Scientist Award

REGENERON ISEF 2025 · COLUMBUS, OH

- One of only two students worldwide to receive this distinction
- Second highest overall score at ISEF 2025 · $75,000 scholarship

1st Place — Engineering Technology: Statics & Dynamics

REGENERON ISEF 2025

- “From Crude to Extrude”: a desktop system combining pultrusion and extrusion to recycle PET bottle waste and 3D-printing purge into additive-manufacturing filament
- About 43% more energy efficient and roughly 5× lower particulate emissions than standard extrusion and re-extrusion
- Filament approaching commercial tolerances at about 90% lower cost
- 800+ hours and 50+ component iterations

Masason Foundation Member

MASASON FOUNDATION

- Highly selective global fellowship for young innovators; supporting the 2026–2027 research year

AJAS Fellow (2026)

AMERICAN JUNIOR ACADEMY OF SCIENCE

- Presented research at the AAAS Annual Conference

Sigma Xi (2026)

SIGMA XI, THE SCIENTIFIC RESEARCH HONOR SOCIETY

- Nominated for membership after meeting CEO and Executive Director Jamie L. Vernon at the AJAS/AAAS conference

Bausch + Lomb Honorary Science Award (2026)

BISHOP FEEHAN HIGH SCHOOL

- Outstanding junior in science

Yale Book Award (2026)

YALE UNIVERSITY / BISHOP FEEHAN HIGH SCHOOL

- Outstanding junior in academics and character

Gold Medal Awards

BISHOP FEEHAN HIGH SCHOOL

- Science Gold Medal (2026) · Fine Arts Gold Medal (2026, 2024) — highest grade in subject across the grade

Science Fair Awards

2024–2025

- 1st Place — Massachusetts State Science & Engineering Fair
- AMD Engineering Excellence Award — Massachusetts State Science Fair
- AMD Engineering Excellence Award — Massachusetts Region III Science Fair
- 1st Place and Excellence in Visual Presentation — Bishop Feehan Science Fair

2023–2024

- 1st Place — Massachusetts Region III Science Fair
- Sanofi Special Care Grand Prize — Massachusetts Region III Science Fair
- U.S. Air Force Certificate of Achievement — Massachusetts Region III
- 1st Place and Excellence in Visual Presentation — Bishop Feehan Science Fair

Activities & Leadership

Co-Founder — TechForge

BISHOP FEEHAN HIGH SCHOOL

- Co-founded the school's hands-on design and fabrication club, open to grades 9–12
- Focus on 3D printing, CNC machining and drone technology
- Personally taught 20+ students 3D printing, CNC, hand tools and CAD
- Designed and fabricated tactile learning tiles for children with disabilities, donated to Pappas Rehabilitation Hospital
- Built a 3D-printed toy conveyor for the school's annual Santa Shop

Captain — Robotics Team

BISHOP FEEHAN HIGH SCHOOL

- Grew team membership by 25% in a single year
- Raised close to $5,000 for a Bambu Lab H2C printer in the school's fabrication lab; secured a $1,000 budget increase from ISEF winnings
- Instituted a new organizational, cataloguing and repair system for components
- Taught building, 3D printing, CNC, CAD, tool use and design to 20+ students
- Volunteered two years at the robotics summer camp, teaching FIRST and FTC to elementary and middle schoolers

Science Fair Mentoring

BISHOP FEEHAN AND ONLINE

- Mentors students for free, in person and over LinkedIn, Discord and Zoom
- Member of the Massachusetts Science & Engineering Fair Advisory Board

1st Clarinet — Concert Band

BISHOP FEEHAN HIGH SCHOOL

- All four years; Honors Band sophomore through senior year
- NCBA Honors Band (2026); SEMMEA Districts 2nd Clarinet, 1st Chair (2024)
- Band named Outstanding Catholic Concert Band in the United States (2026)
- Selected for the NBA Band Symposium at the United States Coast Guard Academy

Additional activities

Debate Team — Varsity · Math Team — Varsity · Engineering Club · Jazz Ensemble — Clarinet and Drum Set · Percussion Ensemble

Honor Societies

Science National Honor Society — Vice President · National Honor Society · National Math Honor Society · National English Honor Society · National Social Studies Honor Society · Tri-M Music Honor Society · Société Honoraire de Français

75+ hours of community service completed

Skills

Engineering & fabrication	3D printing, CNC machining, CAD (Fusion 360, OnShape), electronics design and soldering, prototyping, additive manufacturing, materials science, mechanical / electrical / systems engineering, product design and iteration
Programming & technology	Arduino, basic programming, Fritzing PCB layout
Research & analysis	Independent research, data collection and analysis, scientific writing, lab documentation
Leadership & operations	Team building, project management, fundraising and budgeting, peer mentorship and teaching, public speaking, curriculum design
Music	Clarinet, drum set, percussion
Languages	English (native), French (studied)
